Tuesday, November 5: Clinical Resource Referrals Available

Permanency and Practice Support (PPS) is continuing to expand the simplicity of referrals. Beginning **Tuesday, November 5**, referrals to the Clinical Resource Team will be available in MaGIK. The process for completing the Clinical Resource Team referrals is the same as what is currently required for Education Liaison referrals.

If you need to make a referral to both Education Liaisons and Clinical Resource Team, after November 4 it can be done at the same time. Easy, right? [Click here](#) to access the new PPS Cheat Sheet to use as you begin to access your clinicians through the new referral system.

VERY IMPORTANT: The old referral process will no longer be used, so please ensure you are completing referrals for these two programs through MaGIK.

The rest of the Permanency and Practice Support programs referral process through MaGIK will be rolling out soon so stay tuned!
